PROCEDURAL MATTERS

- 1. Karakoa was represented by Francis Ordoveza (helm).
- 2. Misty Mountain was represented by George Hackett (helm).
- 3. Centennial was represented by Juan Miguel Zoca (helm).
- 4. The race committee attended the hearing as a witness called by the international jury and was represented by Jerry Rollins.
- 5. Chuck Simmons (crew of Karakoa) attended the hearing as a witness for Karakoa.
- 6. Fernand Imperial (crew on Misty Mountain) attended the hearing as an observer.
- 7. Joe Estrada (trainee judge) attended the hearing as an observer.
- 8. Karakoa informed the race committee of their intention to protest as required by SI 15.1.

FACTS FOUND

- 1. The course to be sailed for the IRC class for race 1 was point-to-point course 12.
- 2. Mark 3 was stated in Appendix B of the Sailing Instructions (SI) as a red buoy and was to be rounded to starboard.
- 3. The coordinates of mark 3 (red buoy) as stated in the SI is N 14° 46.63' E 120°12.32' and this was provided to the RC by the port authority.
- 4. At the GPS coordinates of mark 3 was a green buoy, not red, with a post labelled "01"
- 5. Karakoa was ahead of Misty Mountain and Centennial when she was approaching the GPS coordinates of mark 3.
- 6. All three boats rounded this green buoy with a post labelled "01" to starboard.
- 7. There was no red buoy visually present around the vicinity of the GPS coordinates of mark 3 as stated in the SI.
- 8. After rounding this green buoy with a post labelled "01", the boats noticed another green buoy without a post about 0.25nm from the position of the green buoy with a post labelled "01".
- 9. Misty Mountain and Centennial left this green mark without the post to port and Karakoa left this mark to starboard.

CONCLUSIONS AND RULES THAT APPLY

Rules: RRS 28.1

- 1. Boats arriving at the proximity of the coordinates of Mark 3 did not find a red mark as described in the SI and instead found a green mark with a post labelled "01" and were correct to conclude that it was Mark 3.
- Notwithstanding that the mark at the coordinates described in the SI was not red but green, boats rounding this mark with a post labelled "01" to starboard did so correctly as the Mark 3 coordinates take precedence over the colour of the mark.

3. Another green buoy without a post, 0.25nm away, was not a mark of the course to be sailed and therefore did not have a specified side to be left on.

DECISION

Protest dismissed.
