

2023 Hobie MultiWorlds & Europeans Cesenatico // Italy

Technical Committee - NOTICE 4

Attention HC14 competitors.

General Hobie Class Rule 15.2:

*“Shrouds and forestays shall connect to the HOBIE CAT CO. supplied shroud adjusters. **The twist toggle shall not be removed and must be used as supplied.**”*

It has been brought to the attention of the Technical Committee that some Hobie Cat 14s have not been supplied with twist toggles from Hobie Cat. This has been confirmed by the SLS Hobie Cat representative present at the event.

And since there are not enough twist toggles in stock to solve the problem, the Technical Committee has for the 2023 Hobie Cat 14 Worlds decided that the twist toggle requirement in General Hobie Class Rule 15.2 shall not apply for this championship.

Technical Committee/Erik Olsen
