## 7. Description Of Incident

I was on starboard tack on the starting line near the commity boat, getting ready to make speed and start when the other boat came at us over port tack. I screamed starboard because he didnt move out of his way. Not going out of his way he sailed right into us just as the signal went of and the race began. He collided with us and therefore we couldnt start, I got bad wind and started last place because of it. I screamed "protest GBR 2376". He then procieded to sail on and never did a one turn penalty.

## 8. Damage Or Injury

A big scratch on the side of our boat
