## 7. Description Of Incident

Yacht Swuzzlebubble approached the gate on second rounding and a blue flag was hoisted on the committee boat . Shortened course flag for class 2 was hoisted on a staff in the accompanying rib and we were notified of a shortened course . We proceeded from from closest gatemark to the finish . The flags were then dropped and we were notified by radio that the shortened course was aborted resulting in a 3 minute time loss on the race course for the Swuzzlebubble and resulted in a loss of wind at the wrong gate as well . As we had selected the the other gate too round in the wind .

There was no air at the closest gate mark to the finish which we rounded and were approaching to the finish line when the flags were dropped .
