## 7. Description Of Incident

I was holding him out to the starboard lay line on the final beat to the finish. I repeatedly told him there was no room to tack as there was 0.5m between us despite him being bow forward. He tacked and I had no room to duck to avoid a collision so I racked to avoid the collision and he beat me because of this. I would have hit the middle of his boat if I had not have tacked and it was impossible to duck.

## 8. Damage Or Injury

None.
