Other Comment: We were going on downwind to the finishing line, when she gybed to port from starboard. After that our boats started getting closer and I shouted starboard and tried to avoid. She ignored me and soon our boats crashed after that I told her to do her penalty 4 times but she told me that she was not doing it. So I told her that if she does not do her penalty I will protest, she told me she didn't care and I shouted "protest 99".After the race I informed the com. boat.
