During the registration of the Loryma Race, the RUS 1000 – BURAN boat did not have a 2023 IRC certificate. The owner of the RUS 1000 – BURAN boat submitted a petition to the organizing authority stating that the IRC 2023 certificate will be received before the race starts, and that if it is not received, it will withdraw from the race. The races started on 08.05.2025 and it was determined when the RUS 1000 - BURAN boat came to the finish on that day, and the RET score was given to the RUS 1000 - BURAN boat for that race within the framework of its own declaration. RUS 1000 – BURAN boat sent the IRC document of 2023 to the organization board via whatsapp on 09.05.2023.
