

2022 Valentine's Day Regatta

GOLD FLEET

February 12-13

Hosted by St. Petersburg Yacht Club (SPYC)

Organizing Authority is SPYC in conjunction with USODA

SAILING INSTRUCTIONS (SI)

1. RULES

- 1.1 The event is governed by the rules as defined in *The Racing Rules of Sailing*.
- 1.2 "USODA Conditions for Sanctioned Regattas and Championships" will apply and can be found at http://d282wvk2qi4wzk.cloudfront.net/wb_editor_doc_1611358789446.
- 1.3 The third sentence of RRS 61.1(a) is changed to 'She shall inform Race Committee immediately after finishing, or as soon as practicable after she retires (and before discussing her intent with any support person), of the boat(s) she intends to protest'.

2. CHANGES TO THE SAILING INSTRUCTIONS

- 2.1 Any changes to the sailing instructions will be posted before 0800 on the day that it will take effect, except that any change to the schedule of races will be posted by the 2000 on the day before it will take effect.

3. COMMUNICATIONS WITH COMPETITORS

- 3.1 Notices to competitors will be posted on the official notice board located inside Bay 1 of the St. Petersburg Sailing Center (SPSC).

4. FORMAT OF THE CHAMPIONSHIP

- 4.1 The Gold Fleet will be divided into divisions.
- 4.2 Division assignments are for the entire regatta. Competitors will be assigned based on the 2021 Optimist Midwinter Championship final standings, seeded 1-2-3-4-4-3-2-1, etc. plus random assignment determined by the scorer for those who did not attend the 2021 Optimist Midwinter Championship.
- 4.3 The format will be a Round Robin defined in SI Addendum 3. The Championship Fleet will race in "Sets" of races where a "Set" is a group of scored races in which all divisions have competed. The race committee will endeavor to run complete "Sets" of races each day, and at its discretion may abandon incomplete "Sets". If the last race of a "Set" cannot be completed before the end of racing on a given day, that "Set" will be completed first on the succeeding day.
- 4.4 Division assignments will be made at the discretion of the organizing authority and race committee whose decision will be final and cannot be grounds for a boat to request redress. This changes RRS 62.1(a).
- 4.5 [SP] [DP]The organizing authority will provide each boat with a colored streamer identifying division assignments. While on the water, each boat shall at all times display the colored streamer

corresponding to her [daily] division assignment. The streamer shall be attached securely to the sprit loop at the top of the sail, and its size shall not be changed.

5. CODE OF CONDUCT

- 5.1 [DP] In addition to completing an online Sailor Code of Conduct, competitors and support persons shall comply with reasonable requests from race officials.

6. SIGNALS MADE ASHORE

- 6.1 Signals made ashore will be displayed from the flag pole located on the south side of the SPSC.
- 6.2 When flag “AP” is displayed, “1 minute” is replaced with “not less than 45 minutes” in Race Signal “AP”.
- 6.3 [DP] Flag D over Yellow with one sound indicates Harbor Launch. Boats shall not leave their assigned space at the venue launch until this signal is made. The warning signal will not be made before the scheduled time or less than 45 minutes after flag D over Yellow is displayed.

7. SCHEDULE OF RACES

- 7.1 There will be two (2) days of racing.
- 7.2 Six (6) “Sets” of races are scheduled for the gold fleet.
- 7.3 Three (3) “Sets” of races are scheduled for each day of racing. One extra race per day may be sailed, provided the championship never becomes more than one race ahead of schedule.
- 7.4 The scheduled time of the warning signal for the first race each day is:
- Saturday, Feb 12: 1000 ET
- Sunday, Feb 13: 0930 ET
- 7.5 On the last scheduled day of racing no warning signal for a “Set” of races will be made after 1400 ET.

8. CLASS FLAGS

- 8.1 The class flags will be the 4 division colors: Pink, Purple, Green, Red.

9. RACING AREA

- 9.1 The racing area will be on the waters of Tampa Bay approximately two (2) miles east of the Albert Whitted Airport.

10. COURSES

- 10.1 The diagram in SI Addendum 1 shows the course, including the approximate angles between legs, the order in which marks are to be passed, and the side on which each mark is to be left. The course length and exact configuration will be based on the sailing conditions.
- 10.2 If one of the gate marks (mark 3P or 3S) is missing, boats shall round the remaining mark 3 to port.
- 10.3 The angle from Mark 2 to Mark 3P/3S may be changed up to 15 degrees in either direction to compensate for wind / current differences on that side of the course, without signals or change marks, provided the change is made before any boats begin that leg. This is added to RRS 33.

11. MARKS

- 11.1 Rounding marks 1, 2, 3P and 3S will be green inflatable tetrahedrons.
- 11.2 The starting marks will be a race committee vessel displaying an orange flag at each end of the starting line.
- 11.3 The finishing marks will be a race committee vessel displaying a blue flag at one end of the finishing line and either a yellow inflatable cylinder or race committee vessel displaying a blue flag at the other end of the finish line.

12. [DP] OBSTRUCTIONS/RESTRICTED AREAS

- 12.1 The **racing area** is the space encompassing the course, the starting area, and the finishing area. It extends 100 yards beyond any racing boat and all marks. Except as permitted by SI 21, only competing boats and official vessels (designated as such by the race committee) may enter the racing area while boats are racing.
- 12.2 The **waiting area** is the area to leeward of the racing area below the starting line, marked by a series of small balls or marks. Support vessels shall anchor with their anchors at or behind the line formed by the row of small balls or marks, or, in the absence of small buoys, at a distance specified by the Principal Race Officer.
- 12.3 The **corridor** is the lane to starboard of the race committee finish vessel between the finish line and the waiting area, inside the race course. Boats are reminded when returning to the waiting area to not sail upwind of the starting line or across the starting line. Except as permitted by SI 24, only competing boats and official vessels (designated as such by the race committee) may enter the corridor while boats are racing.

13. THE START

- 13.1 The starting rotation for a "Set" of races is defined in Addendum 3.
- 13.2 The starting line is between a staff displaying an orange flag on a race committee vessel at each end.
- 13.3 [SP] [DP] [NP] To alert boats that a race or sequence of races will begin soon, the orange starting line flags will be displayed with one sound at least four (4) minutes before a warning signal is made for a "Set" of races.
- 13.4 [SP] [NP] All boats not in the next start shall proceed immediately to the waiting area and remain there until the race committee displays flag "F" or removes the starting line flags.
- 13.5 Shortly after any start, the race committee will display flag "F", indicating that boats in the next start may leave the waiting area.
- 13.6 The race committee will not hail the sail numbers of boats that are OCS or subject to starting penalties under RRS 30. Unofficial 'race committee actions' will be broadcast on VHF channel 63 as a courtesy to support persons after all boats have started. The official list of race committee actions will be posted on the notice board. Failure to do so, however, will not be grounds for redress.
- 13.7 A boat that does not start within five (5) minutes after her starting signal will be scored Did Not Start (DNS), without a hearing. This change is added to RRS A5.1 and RRS A5.2.

13.8 Any starting penalties from races that are abandoned or recalled after the starting signal and not re-sailed on the same day will not carry over to those races if they are re-sailed on another day in the regatta. This changes RRS 30.4 and 36.

14. CHANGE OF THE NEXT LEG OF THE COURSE

14.1 To change the next leg of the course, the race committee will move the original mark (or the finish line) to the new position.

15. THE FINISH

15.1 The finishing line is between a staff displaying a blue flag on the race committee finish vessel at the starboard end and either the course side of the finishing mark or staff displaying an orange flag on a race committee finish boat at the port end.

15.2 [SP][DP][NP]Immediately after finishing all boats shall sail clear of the finishing area, leaving the race committee vessel to starboard, and promptly return to the waiting area via the corridor shown in SI Addendum 1.

15.3 Flag “A” displayed (with no sound) while boats are finishing means “No more racing today.”

16. PENALTY SYSTEM

16.1 The “Graded Penalty System” will apply and is attached as Addendum 2. “Fleet” is defined as the combined number of registered boats in the [two] largest divisions. Percentage penalties will be rounded up to the nearest whole number.

16.2 [SP]A boat that has taken a penalty under RRS 44.1 shall complete and sign the penalty acknowledgement log at the protest committee desk as soon as practical after racing.

16.3 US Sailing prescriptions to RRS 63.1 and 63.2 will not apply.

16.4 RRS Appendix P applies.

16.5 RRS P2.3 does not apply and RRS P2.2 is changed so that it applies to any penalty after the first one.

17. TIME LIMITS

17.1 The race time limit (see RRS 35) and the Finishing Window are shown in the table below.

Race Time Limit	Finishing Window
90 minutes	20 minutes

17.2 The Finishing Window is the time for boats to finish after the first boat sails the course and finishes. Boats failing to finish within the finishing window, and not subsequently retiring, penalized or given redress, will be scored Did Not Finish (DNF) without a hearing. This changes RRS 35 and A5.

18. HEARING REQUESTS

18.1 The protest time limit is 45 minutes after the race committee signal vessel docks. The protest time limit (filing deadline) will be posted on the official notice board as soon as practical.

- 18.2 Hearing request forms are available at the protest committee desk located in the SPSC downstairs classroom.
- 18.3 Notices will be posted no later than 30 minutes after the protest time limit to inform competitors of hearings in which they are parties or named as witnesses.
- 18.4 Hearings will be held in the assigned protest room, beginning at the time posted. The helmsman shall represent the boat. This change is added to the first sentence of RRS 63.3(a). Representatives of boats who are parties to a hearing and their witnesses shall report to the protest committee desk at the scheduled hearing time and remain there until called for their hearing.
- 18.5 A list of boats that have been penalized for breaking RRS 42 under Appendix P will be posted.

Redress Requests

- 18.6 Requests for scoring reviews for possible scoring errors are considered requests for redress per RRS 62.1. They shall be filed with the protest committee, on forms provided, within the time limit and will initially be reviewed by the race committee. If resolved by the race committee, no hearing will be scheduled. If not resolved by the race committee, the race committee will request a hearing and the protest committee will proceed under RRS 63.1.
- 18.7 The race committee will post a list of boats scored OCS, NSC, UFD, or BFD on the official notice board. Requests for redress based on such a posted score shall be made no later than the protest time limit, or 30 minutes after the posting, whichever is later. This change is added to RRS 62.2.
- 18.8 Requests for redress relating to an OCS or starting penalty shall state the procedural error the competitor believes the race committee may have made. Further, the competitor will be expected to establish that he or she started properly. This change is added to RRS 62.2.

19. SCORING

- 19.1 The Low Point Scoring System of RRS Appendix A will apply as revised below.
- 19.2 The number of boats entered in the event will be defined as the number of registered boats which subsequently completed competitor Registration at the regatta venue. This changes RRS 44.3(c), A2 and A5.2, and applies to fleet divisions.
- 19.3 One (1) completed "Set" of races will constitute the 2022 Valentine's Day Regatta.
- 19.4 When five (5) or more "Sets" of races have been completed, a boat's final score will be the total of her race scores excluding her worst score.
- 19.5 Race scores are based on the combined number of registered boats in the two largest divisions (see SI 19.2). This changes RRS A2 and A5.2.
- 19.6 After application of any standard penalties [SP] or discretionary penalties [DP], a boat's score shall not be made worse than the score for "DSQ".

20. SAFETY REGULATIONS

- 20.1 [SP] [DP] Prior to launching each day, a coach or other designated support person for each team shall check-out the sailors from that team using the [Safety Check-out/Check-in online form](#), indicating their departure to the race course. A competitor who will not be racing that day shall notify a host venue volunteer before the Harbor Launch, or by email to todd@spyc.org.

- 20.2 [SP] [DP] Immediately upon returning to shore, **but not later than 30 minutes** after the race committee signal vessel docks, a coach or other designated support person for each team shall check-in the sailors from that team using the [Safety Check-out/Check-in online form](#), indicating their return to the venue.
- 20.3 A competitor retiring from a race or intending not to start a race shall notify a race committee vessel or safety vessel before leaving the course, or if that is not possible, notify the OA immediately upon returning to shore by email to todd@spyc.org.
- 20.4 A boat with multiple infractions of SI 20.1, 20.2 or 20.3, Safety Check-Out / Check-In Procedures, may be protested by the race committee and the penalty will be at the discretion of the protest committee.
- 20.5 [SP][DP] A condition of entry and participation in this regatta is the wearing of a U.S. Coast Guard approved personal flotation device (PFD), or for international competitors only, an appropriately sized PFD/buoyancy aid as approved for use in the competitor's country of origin. All PFDs/buoyancy aids shall be properly secured at all times while on the water, except for brief periods while removing or adding clothing. All PFDs must be suitable for the competitor's weight. Wet suits, dry suits, and inflatable PFDs are not approved nor permitted as PFDs. Failure to wear a proper PFD will result in a penalty up to and including disqualification at the discretion of the protest committee. These changes are added to RRS 40, and the Preamble to Part 4 will not apply to RRS 40.
- 20.6 [SP][DP] Competitors shall have a whistle attached to their PFD at all times while on the water.
- 20.7 [SP][DP] Each boat shall have a secure loop in the end of its painter.

21. REPLACEMENT OF EQUIPMENT

- 21.1 [SP][DP] Boats are allowed only one hull, daggerboard, rudder (including tiller and extension), mast, boom, sprit, and sail during the regatta. Any request to consider approving equipment substitutions shall be submitted in writing to the Principal Race Officer before the end of protest time limit the day prior to the day for which the substitution is to be made. If changes are required during a day's racing, approval may be made verbally and the written request submitted before that day's protest time limit.

22. EQUIPMENT AND MEASUREMENT CHECKS

- 22.1 A boat or equipment may be inspected at any time for compliance with the class rules, notice of race and sailing instructions.

23. OFFICIAL VESSELS

- 23.1 On-water Rule 42 Judge vessels will display black and white striped flags. A Rule 42 Judge may also be aboard the race committee signal vessel and if so, that vessel will display flag "J" of a US Sailing Judge flag.

24. [DP]SUPPORT TEAMS

- 24.1 Coaches are expected to be good role models for young sailors and conduct themselves accordingly ashore and on the water.
- 24.2 Support persons who are on the water either in support or coach vessels are considered coaches for the purpose of SI 21. Those parents who serve on race committee vessels (including patrol and safety vessels) may not communicate in any way with their sailors or their coaches from the time the orange starting line flags are displayed until their sailor has finished his or her race (the "No Communication Period"). The only exception to this rule is when directed by the Principal Race Officer or they are involved with safety and rescue. During periods of time when communication with coaches and/or sailors is permissible, these

parents shall not transfer any strategic or tactical information (including audio or video recordings) gained due to their advantageous location on the race course or their access to race committee communications, unless such information is made available to all sailors, coaches and other parents/supporters. Communications of a personal nature (e.g., 'great race', 'get something to drink', 'go see your coach', etc.) are always permissible outside the "No Communication Period".

24.3 General support (coach and spectator) vessel requirements:

- 24.3.1. Coach vessels shall display a numbered flag provided by the organizing authority at all times while on the water. All support vessels shall carry a VHF radio & monitor the race committee channel, VHF 63.
- 24.3.2. No 'team' flags, private signal flags, or any object that might be construed as a signal shall be flown from coach or support vessels while racing is underway.
- 24.3.3. Support vessels shall follow the instructions of race committee, patrol, safety, protest committee, and other race management vessels at all times.
- 24.3.4. No support vessels shall tie up to or congregate around any aid to navigation, such as buoys or channel markers, or tie up to any fixed fishing gear or fishing floats.

24.4 Restrictions:

- 24.4.1. All support vessels shall stay out of the racing area while boats are racing and at least 100 yards away from any racing boat, and move slowly and with minimal wake, except where permitted in these instructions.
- 24.4.2. Certain support vessels may be designated as rescue craft by the Principal Race Officer or Safety Officer and given permission to enter the racing area for the purposes of rescue operations only.
- 24.4.3. When the race committee displays (or is displaying) its orange starting line flags, all support vessels in the starting area shall proceed immediately to the waiting area and shall remain there until the race committee lowers the orange starting line flags, except that, after first and subsequent start(s) of a "Set" of races, support vessels may exit the waiting area and proceed slowly with minimal wake to the weather mark, only on the starboard side of the course. The race committee may close the starboard side of the course to support vessels.
- 24.4.4. There shall be no anchoring inside the course or in the vicinity of the finish line.

24.5 There shall be no unmanned aerial vehicle (UAV) drone flight permitted above the racing area, waiting area, corridor, coach/spectator boat zones, start line or finish line. (See SI 10, 12, 13, 15 & Addendum 1)

24.6 Penalties:

- 24.6.1. Competitors affiliated with any support person vessel that breaks SI 24 may be protested and penalized under RRS 41, Outside Help, in which case the Preamble to Part 4 will not apply. This changes RRS 41.
- 24.6.2. Support persons that repeatedly and/or intentionally break SI 24 may be subject to disciplinary actions up to and including exclusion from the venue.

25. TRASH DISPOSAL

25.1 [DP] [NP] Trash may be placed aboard race committee and support vessels.

26. BERTHING

26.1 [DP] Boats shall be kept in their assigned places while in the boat park.

27. PRIZES

27.1 Prizes will be given as described in the Notice of Race. Subsequent prizes may be awarded at the discretion of the organizing authority.

28. RISK STATEMENT

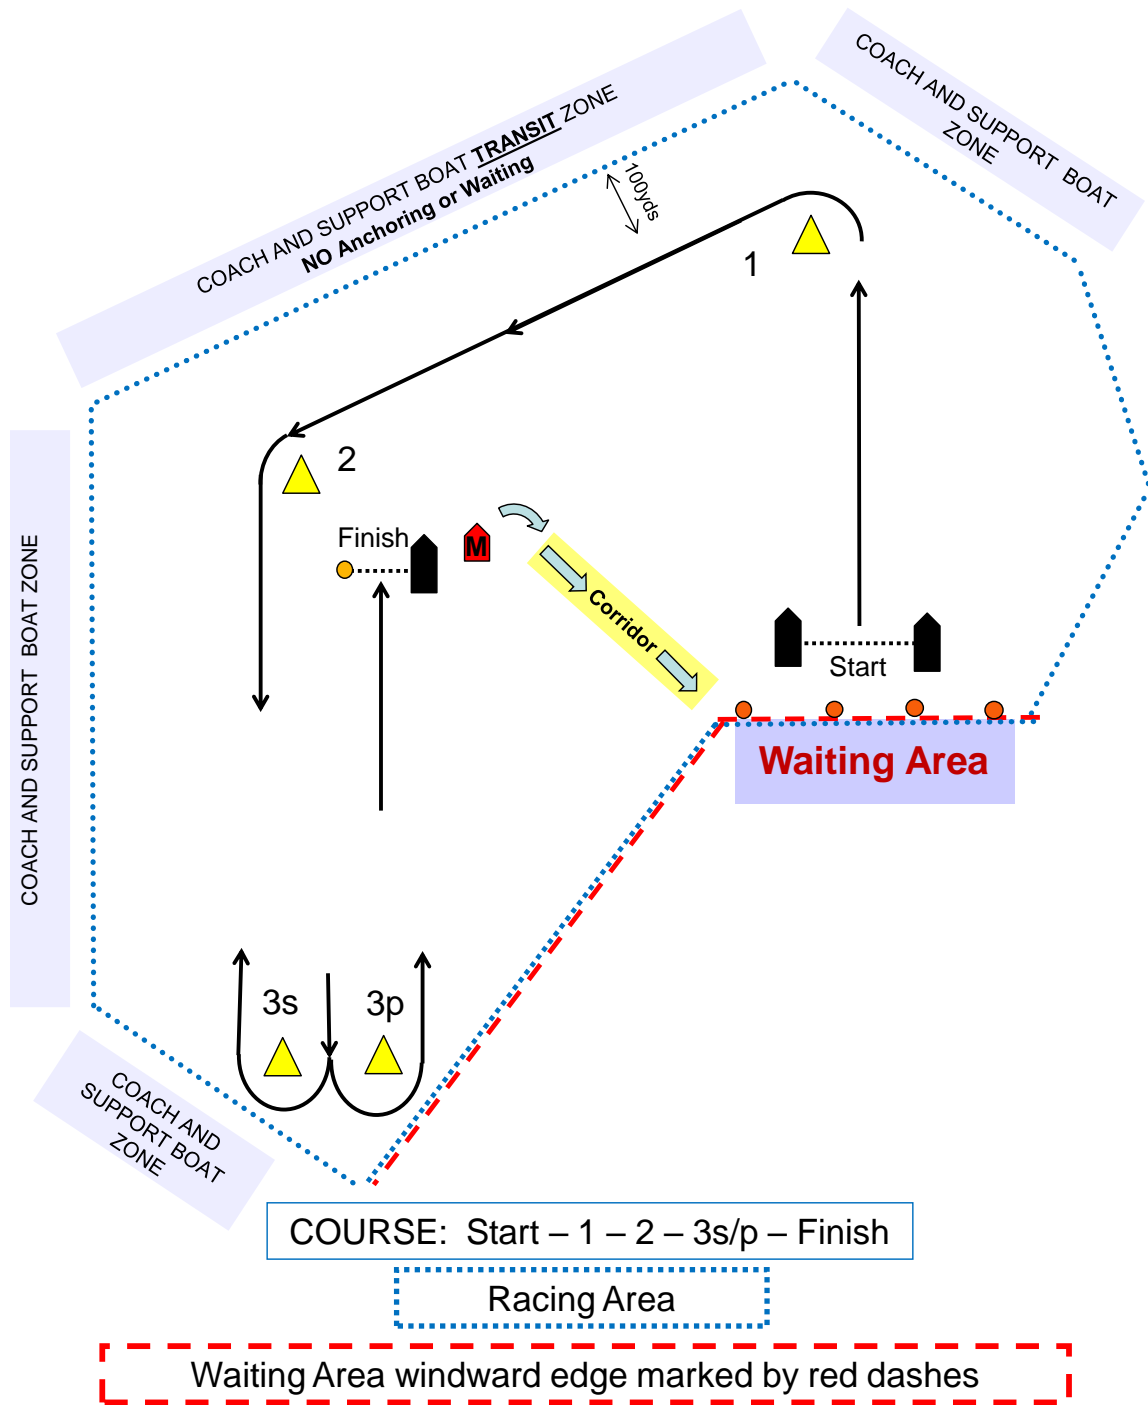

28.1 RRS 3 states: 'The responsibility for a boat's decision to participate in a race or to continue to race is hers alone.' By participating in this event each competitor agrees and acknowledges that sailing is a potentially dangerous activity with inherent risks. These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance on an unstable platform and fatigue resulting in increased risk of injury. **Inherent in the sport of sailing is the risk of permanent, catastrophic injury or death by drowning, trauma, hypothermia or other causes.**

28.2 The organizing authority including the sponsors, the race committee, SPYC staff and volunteers, board of directors of the SPYC, officers and board of directors of the USODA, and all those involved in these organizations will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the regatta. An online waiver shall be signed by all competitors and their parent/guardian, in accordance with NoR 4.4.
