7. Description Of Incident

I was coming into the leeward mark, 30m away I slow down to allow the person inside me to go around. Bib number 43 then comes in to windward of me at full speed with no room established at the zone. He cannot round the mark due to him still being going at speed. He then bore down onto me around and after the mark violating rule 17.2 and crashing into me. I then hailed protest as I crashed.

8. Damage Or Injury

The mast of my foil is damaged and my neck was injured
