7. Description Of Incident

We were foiling on port on the prestart 100 meters from the RC to the right, GBR surprised me gybing and falling down from his foils and I did not have time to avoid colisión, he did not say protest.

We talk each other after it, we both were fine, boats were able to race. I was worried for him to be fine and not injured but luckily both were fine.

8. Damage Or Injury

Some marks on the wing bar
