## 7. Description Of Incident

I was waiting to start race 6 on starboard tack on a close hauled course but with my sail flapping and making minimal way forward. 217035 was sitting on the line to windward of me, on a reach with sail flapping but moving forward slowly towards the pin end. We were on a collision course. I hailed for 217035 to keep clear, but no action was taken and her boom collided with my deck, my body and my mast. I had to fend off the end of her boom from hitting my compass and tearing off my hawk. I shouted protest. 217035 did not complete any penalty turns and continued to start the race as if nothing had happened.
