## 7. Description Of Incident

I was sailing to the first mark (red). I saw a red mark far away and when I was rounding it, I realized that all fleet was rounding another mark far away and leeward from me... That mark was green and with a small red line in the middle. So I was in the tale of the fleet... After that I retired of that race, and talk with my coach, who ask to RC what happen with the mark... RC explain him that the original mark was broken... nobody of RC was with "M" flag and whisle to advice the fleet. I want a redress in that race.

Thanks.

Jordi Delgado
