7. Description Of Incident

We ask the reopening of this hearing based on the new evidence that can change the resolution of the hearing. Is a video clip that was not available in the moment of the hearing due to lack of battery of the GoPro camera that was on ESP 1122.

The video clip shows that ESP 1419 got enough space to stay clear from ESP 1122.

Also shows that the skipper of ESP 1122 has done everything possible to give enough space to ESP 1419 to stay clear from ESP 1122.
