7. Description Of Incident

We (GER 2818) sailed downwind on starboard heading towards the downwind Gate. ITA 2706 was on port. We were not able to avoid contact as there was no space to pass between the mark and ITA 2706. While coliding right next to the mark our gennacker pole broke which made ist unpossible to continue and retire from the following races.

8. Damage Or Injury

Broken Genacker Pole
