7. Description Of Incident

Approaching (but outside the zone) I hailed boat 4113 "no room", as they were well astern of me and I knew that I needed to give room to boat 3251, who had an inside overlap on me. Despite my hail, boat 4113, tried to cut between me and 3251 at the mark, hitting my starboard rail and also hitting boat 3251 and fouling not of us at the mark.
