7. Description Of Incident

This boat substitution is the third in 3 weeks, because of the same problem: the fragility of the rudder plate. No crashes between this boat and the other ones racing happened, so this one was supposed to be new.

8. Damage Or Injury

My rudder plate broke, now is going to be fixed but i couldn't sail 2 of 3 races today and losing these two races I don't think I will be in gold fleet anymore. Now I'm asking for scoring inquiry on the base of the average of my results of the day.
