7. Description Of Incident

During the starting phase, me and ita 69 had the same tack. We overlapped at 1 minute because ita 69 accelerated from behind and windward. We were overlapped, I was the leeward boat and ita 69 was windward boat so for rule 11 I had right of way. Even if I asked ita 69 to keep clear it kept pushing me and he touched me in the starboard hull, and on the rudder stocks that had a major damage. I said protest to ita 69. I managed to finish the race but I had to miss the next because my rudder stocks broke. I did my best to avoid the contact but since I had a boat on leeward I had no space to go.
