7. Description Of Incident

We were sailing under the line for starbord and there were plenty of room between us and the boats on the line. ITA 3094 was behind us. We said leeward several times and then we went up and they had both time and distance to move but they didn't. We tried to avoid the situation but they crashed right in to us.

8. Damage Or Injury

Damage on the starboard side of our boat 1,5 meters from the back. We can show on the boat
