7. Description Of Incident

I approached mark over Port, and had plenty room to round the mark. The NED 211162 came in over Starboard and had a collision with USA 199921. They lost all their speed after the collision caused by NED 211162 next to the mark, when I passed the boats, Mr Tim Landt pushed my boat backwards while there was no reason to touch my boat as I sailed by staying clear from the boats without speed.

8. Damage Or Injury
