7. Description Of Incident

The race committee has my boat marked over early. We were not over early. I believe there is a citing error made because I'm a small boat and was below a large boat and got caught up in the crowd. I was heading down-the-line on a deep reach and was pointed roughly at the midships of Forgiveness' starboardside. On the horn I had to aggressively turn up to weather. Mexican divorce and Groundhog Day were ahead of me. I know I was not over early because we had sighted the line and I was turned down before the horn in order to be below it.
