7. Description Of Incident

We were both on port , not overlapped, and we gybed at the same time. Rider 80 was slower than me after finishing her gybe so I put my kite up in order to avoid contact. But then she put also her kite up for no reason so our kites touched. So I lifted by kite further to avoid tangle and she lifted too. I yelled water so many times and she kept lifted on me so I said Protest and she answered me "fuck you". I yelled another time protest
