7. Description Of Incident

I would like to submit a request for average score due to the fact that the wind during race 7 for the ILCA 4 died down rapidly at the downwind to the point that the boats were nearly standing still on the water. A large group of boats gained an advantage and blocked the rest of the fleet resulting in a mass mark rounding. from which I lost a lot of positions. which I couldn't correct due to the fact that the course was shortened at the reading mark with the wind rapidly decreasing again. I feel it unfair that the ILCA 6 class's race was abandoned and the ILCA 4 was not while we could not complete 4 stages of the race within 1 hour.
