7. Description Of Incident

On the final reach from gate mark to the Finnish line we where 3 boats turning around the gate mark, just in a row. We where in front, another boat referred to as "boat X", and last boat 31. Boat X came with more speed and went high and sailed above us. After being rolled by boat X we lost a little speed, and boat 31 came from behind and went to windward to us. They denied to head up, and yelled that we where only allowed to sail straight to the mark. To avoid collision we had to head down, and boat 31 went in front. The distance between the boats was less then 50cm, sailing probably about 8-10knots.. so very close.

Our witness was the boat behind us.
