7. Description Of Incident

USA 47 was approaching from behind within 1min to the start. My kite was at 2 o'clock holding coarse to the line. Adam didn't try to slow down or give me time to raise my kite.

The leading edge of his kite cought the trailing edge of my kite causing it to backstall. The back lines and steering line were broken in the process.

I had to pack up and retire from the race.

8. Damage Or Injury

2 broken bridels and a snapped kite line.
