7. Description Of Incident

The Sailing Instructions within rule 6.2 state that fleets in Qualifying WILL be split as evenly as possible, or similar wording. Due to a significant number of boats having left the event since current fleets were determined, I believe heats should be re adjusted to offer the fairest racing for all competitors once those committing to sailing Sunday the 18th are known through tallying. This will avoid subsequent requests for redress or possible risk to the event. Many Thanks Brad Gibson GBR 3169
