7. Description Of Incident

We were closed hauled on starboard tack. SWE 463 (Bow 572) approached us on Port Tack. We hailed starboard multiple times. They saw us clearly and did not alter course. We would have collided with them in line with their main traveler if we held course. We had to ease sail and bear away to alter course to avoid a collision. There was no collision, only due to us taking avoiding action. We hailed Protest and displayed the protest flag from the main strop immediately.

8. Damage Or Injury

No damage
