7. Description Of Incident

HUN 700 was sailing on starboard and boat hun 248 was sailing on port and inquiring whether they could pass in front. After a receiving a negative answer, they did not change route nor make any effort to avoid a collision until the last second. They tacked in front and boat 700 had to turn upwind head first towards the wind and tack away to avoid the collision while the other boat was still manoeuvring.
