I was stopped, i saw gre 70 coming with speed straight to me! I shouted eoo to him but he looked behind and did not tried to avoid the collision! As soon as I anticipated that he came towards me without seeing me i shouted again louder and tried to avoid collision doing backwards. He was still didnt do any manœuvre to avoid me so he hit my board with his fin and did big damage to my board to a point that i couldnt race with this board.
