7. Description Of Incident

We (Sui 3120) were coming on starboard to the upwind mark and the boat ger 3160 was five meters behind us I told them no room two times because I wanted to gybe-set and end up close to the mark. When I was starting to go down ger 3160 came between the mark and us so we had to give them room and we couldn't gybe properly.

8. Damage Or Injury
