7. Description Of Incident

We both went into the buoy zone ,us on the port board and them on the starboard and somewhere around 3 boat lengths to the buoy we jibed and started sailing inner of them in relation to the buoy, the respondents clearly had a lot of space on their leeward side but didn't took any action to let us thru and rounded the buoy very closely and because of that we had to hit the buoy and touched their boat

8. Damage Or Injury

No damage and injuries
