7. Description Of Incident

Approaching the finish line 4652 called for room at committee boat despite having not established an overlap by 3 boat lengths before. 4652 was moving faster because they had their kite up and we did not. We were unable to give room to avoid a collision because 4468 was just beneath us. 4652 struck our boat and their bowsprit hit our crew. Both boats were on port tack.

8. Damage Or Injury

Yes. Minor injuries to crew. Bowsprit scratched rack (minor) behind helm.
