## 7. Description Of Incident

I was sailing on starboard. with ITA 755. I was clear ahead ITA 755 was clear astern. There was 1.5 boat lengths between me and ITA755. There was no overlap. We were 4 boat lengths from the leeward mark. We gybe to port on the lay line ITA 755 gybes as well and there was still no overlap when we reached the 3 boat lengths zone. At 2 boat lengths from the mark ITA 755 made an overlap.(between us and the mark) According to rrs 18.2B I was the right of way boat, but they failed to give us room. We had to keep clear. There were no contact because we had to keep clear due to RRS 14. We gave them enough room to round the mark. We Hailed protest multiple times and they didn't do their turn.
