7. Description Of Incident

Juggerknot was approaching the start line on Starboard tack, approximately 50 metre from committee vessel

Nightshift and Full Tilt approached on port crossing ahead of approximately 2 boat lengths ahead of Juggerknot.

Both tacked onto starboard. FT tacking immediately above, to starboard of Juggerknot's line of advance.

We altered to port to clear below full tilt. Nightshift was clear ahead. We held course parallel to the line, to a position overlapping FT. FT bore away toward us, presumably to gain speed and avoid crossing the line early. We call her up several times, no action appear to be taken.

The boats closed to within 2mtrs on approximately parallel courses. Jugger was travelling faster. FT finally made a significant alteration to starboard, as jugger also attempt to steer clear to port. As FT altered, her port quarter came into to contact with Jugger midships.

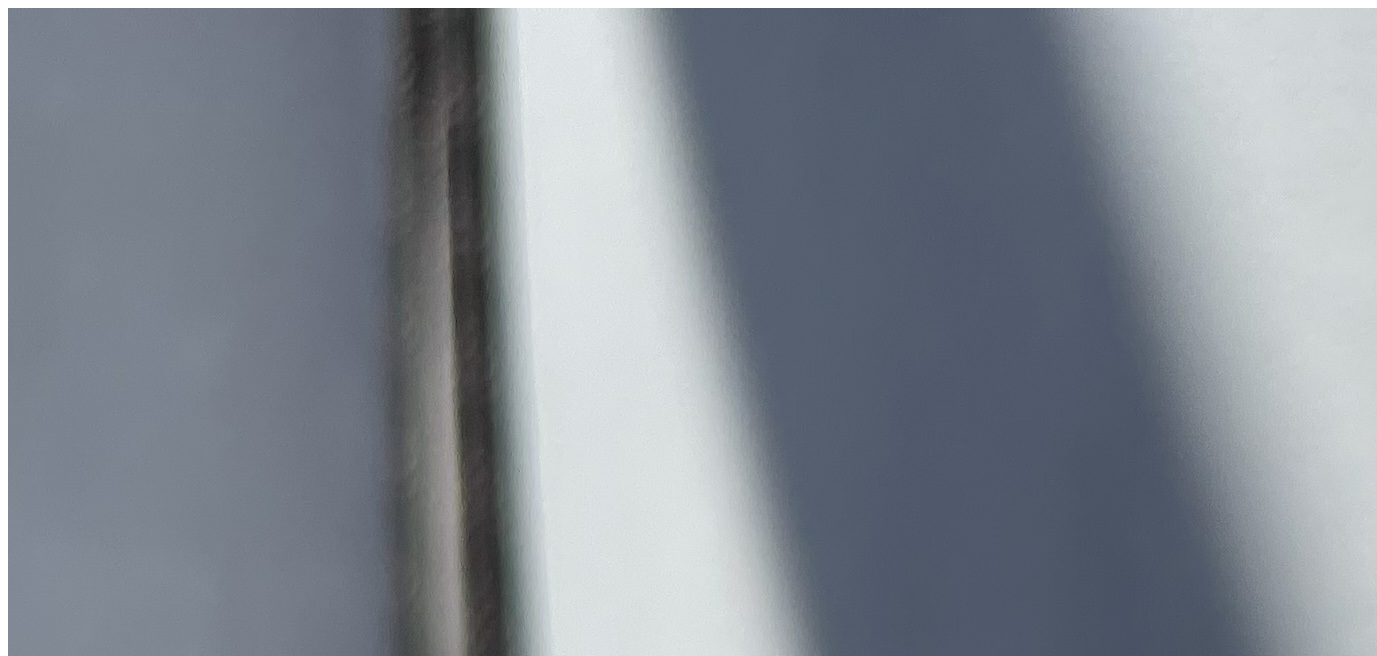

Jugger advised of intention to protest and hoisted the red flag. FT was seen to carry manoeuvres that approximated penalty turns.

8. Damage Or Injury

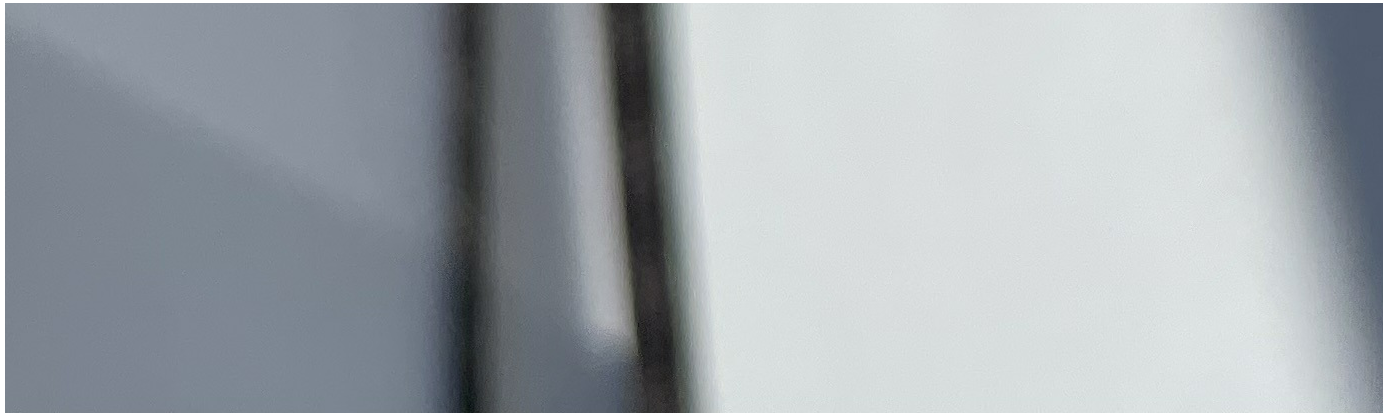

Juggerknot has incurred damage to her starboard side hull and has 2 bent staunions.

No crew were injured
