Other Comment:

7. Description Of Incident

We were on starboard on the starboard layline to the mark. We entered the zone on starboard not overlapped with anyone. Boat 6 entered the zone on port. They then tacked on to starboard to round the mark. We were forced to head above our close-hauled course in order to avoid them. This was indicated by our jib luffing significantly. We hailed protest boat 6 several times. We watched and the boat did not complete any penalty turns.

8. Damage Or Injury

We were forced to head above our close-hauled proper course to avoid collision.
