7. Description Of Incident

After rounding the final mark, boat 4467 was just in front of me, but to leeward. He then started tacking onto starboard, passed head to wind, but did not reach a close hauled course. At this point I had to avoid a collision. There was no contact, and I hailed protest. The protestee acknowledged this.

*I appreciate that this protest was submitted after the time limit. I tried to submit it before, I have a witness for this, however, I had difficulties with Internet connection so was not able to.
