Departure Plan for Wednesday 27th

As per the notice placed on your wind screen yesterday, the car park has to be clear from this evening (26th) and no vehicles may be parked there tomorrow. We need the parking area outside the club to be free of vehicles.

The intention is to allow the 29ers to derig in the boat park and once derigged they can be taken outside to the area defined on the map as Spiaggia degli Olivi for loading.

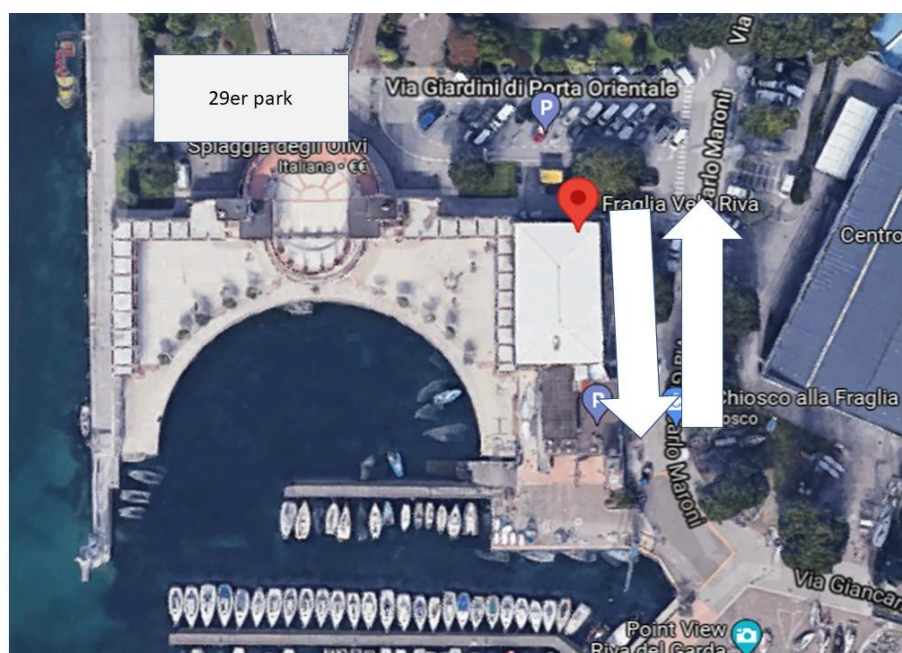

Once some of the 29ers are removed from the boat park, rib trailers can access the club. Rib trailers must be unhooked and manually pushed into the club to access the crane. Once your rib is out of the water, the trailer will be moved manually back outside. If you are attending prizegiving the trailers must be returned to the trailer park.

For those not leaving on the 27th, you may have access to the club on the 28th to have a more leisurely departure.

Once the 29ers are ready for loading, you may bring your vehicle down to the club, load boats and either leave or go back to the trailer park.

We ask that teams do not bring vehicles to the club unless they are ready to load their boats. The road into the club must be kept clear, there will be an In/Out system and someone to direct you.

REMEMBER TO KEEP YOUR PARKING PERMIT IN YOUR VEHICLE, IF YOU NEED ANOTHER ONE, PLEASE SEE THE PARKING ATTENDANT WHO WILL BE STATIONED AT THE SMALL AROUNDABOUT. Thank you for your cooperation.
