7. Description Of Incident

We (2732) were next to the startship on her left at 20 seconde before the start. With NED 3846 under us. ITA 8514 tried getting between us and the start ship, hitting both us and the startship. Which made us having to move down and also made NED 3846 move down. Which got us behind everyone. Imediatly we yelled protest at ITA 8514 and repeated this several times including their number. They did not do anything while they very clearly heard us. NED 3846 saw all of this and is willing to play as a witness.
