## 7. Description Of Incident

I was rounding the left gate mark. Because I was not overlapped with the boats in front of me (GBR and SUI) I had to make a slightly bigger round. When I close the gap between the mark and the boat the ITA 2920 get inside. The ITA boat was not overlapped with our boat when we had reached the 3 boat length mark. There was a contact with no major damage. The boat is scratched on the starboard rail on the front part of the wing. Regards, Maj Petrič
