## 7. Description Of Incident

At the conclusion of race 11-D I was assessed a penalty which was completed course side and then finished the race. I was wrongfully assessed this penalty and should have promoted to race 11-C. The race committee hastily started the next race before the outstanding request for redress or protest were heard. The race committee and panel of jury members acted in poor faith, pre-decided the outcome of the hearing to reflect the mistake that had been made. The inaccurate publishing of protest results corroborate the protest committee and race committee's collusion to cover up their mistake.
