## 7. Description Of Incident

We were approaching main marker where the boat ( Double Down) leeward was clear ahead. We headed up as the protest boat was moving up on us to protect our rights. They did establish an overlap but we were 30-40 degrees from making the mark and at least 5 of our boat links from the mark. I steered the boat down to make the mark and there was no overlap for well into 2 boat links to the mark. They said yelled "serious"..
