## 7. Description Of Incident

Michel Roche (216767) has saved Wout de Gier (218037) from the water. He was in the water and the boat was driving away from him.

Michel Roche took Wout de Gier in his boat and sailed towards the boat from Wout de Gier.

Then Wout de Gier could get into his own boat with the help of a rescue boat (blue RIB) who saw the incident and could help to get Wout de Gier back in his boat.

Michel Roche was not able to finish anymore and went back to the harbour without result.
