Notice:

Jury Briefing. Greetings to all competitors from the Jury. We are an International Jury with members from India, Malaysia and Australia. I was lucky to meet some of you at you wonderful club two years ago. If there is an incident on the water that you are not happy about, please protest. We are here to help all competitors to understand and use the rules. Mostly there will be two local Jury members on the water observing the racing. They will not be penalising boats at the time of any RRS 42 breaches, however they will note all breaches of all rules. This is your event and the judges hope you will protest rather than have them protest. If in any doubt get help to lodge your protest. Play fairly and enjoy your event. One day you could easily go to the Olympics. Congratulations to your Olympic sailors

Best wishes Mark

Add to that, I know none of you will cheat and I am equally sure that you will always tell the truth. Good luck

Mark Pryke
Chief Judge
