7. Description Of Incident

1638 on first upwind rounded the windward well ahead of 1407.

1638 mid way up second upwind saw 1407 capsized about a quarter of the way down the run.

1407 is scored 8th ahead of 1638 (15th). It is clearly impossible for 1407 to have completed the course.

I thought he was going to retire so I did not protest straight away.

8. Damage Or Injury
