7. Description Of Incident

Hearing no4 should have taken place after hearing no3 and we have not been notified about the hearing time except that it should take place after hearing no3. Surely arriving at the juryroom at 12:41 this cannot be regarded as too late if hearing no 3 was set for 12:40

We have video evidence that the mark1 has been moved significantly down when sailors were approaching it from the right side they overstood the Mark and lost many places. We want to present the evidence to the jury
