7. Description Of Incident

Multiple boats were approaching the first mark and turning in the zone. Our boat was sailing starboard most windward and as other boats was tusing from port to starboard in the zone, we have to sail above the closed haul course, we had to avoid collision and had flapping our sails. We protest the boat that was sailing next to us, but, we thing, that problem was caused by boat no. 6, that turned inside the group as visible on fb video.
