Regatta officials are using a web-based program to assist with the management of this regatta. It provides electronic forms for such actions as scoring inquiries, protests, equipment substitutions, etc. And it provides for electronic communication with competitors if competitors have provided an email and/or telephone number accepting SMS. Competitors will be notified electronically of protest time limits, confirmation of a protest filing, scheduled hearing times, etc. This electronic system allows competitors to move freely about the event and remain in contact with relevant officials.
