7. Description Of Incident

Fred and Steve rounded mark 4 clear behind me, they sailed right down the run, myself left. Fred and Steve caught up towards the end of the run, I was still to the left of both. As we came to the mark I had room on the inside of Fred with Steve behind us both, Fred failed to keep clear just before I had to gybe and his boom hit inside my mast. No turns were completed.

8. Damage Or Injury
