7. Description Of Incident

We were on starboard on the first leg after the start. 65 looked over his shoulder and saw me covering him. When he started to lift his kite I yelled "no, don't tack". He looked at me again but tacked on to port anyone, forcing me to dip him while I continued on starboard. I yelled "protest" but he did not do any penalty turns. I have a witness and go pro footage.

8. Damage Or Injury
