7. Description Of Incident

After checking the recording from the pin I have heard that my number is not readen and there is another numbers that are readen and are not classified UFD.

In the video from the race committee boat I am not over.

The race committee in the pin told me he doubts if the other boats were also over and also says I was over "on the limit".

In the race committee there were boats over the line some seconds before the start.
