1627 and 6523 was on starboard tack approaching the windward mark and 1627 had room on 6523. 1627 did not have adequate room to round the mark and called room to 6523. 6523 did not point up enough after being given time and opportunity. 6523 did not point up enough to give adequate room to 1627 despite having the ability to point higher. 6523 then tacked and their stern it into 1627 as they were tacking.
